FREE children's books for children in the SREC service area

Sun River Electric is proud to announce Dolly Parton's Imagination Library

What Is It?

Dolly Parton's Imagination Library is a 60-volume set of books, beginning with the children's classic *The Little Engine that Could*. Each month a new, carefully selected book will be mailed in your child's name directly to your

home. Best of all it is FREE! There is no cost or obligation to your family.

Who Is Eligible?

Preschool children ages birth to 5 who are residents of Sun River Electric Cooperative's service area (you don't have to be a member, just live in

SREC's service area).

What Are My Responsibilities?

1. Register online at <http://imaginationlibrary.com/> (click the "Register my child" link) or submit an official registration form (left), completely filled out by a parent or guardian, or contact Ross at SREC, 406-467-2526.
2. Notify SREC any time your address changes. Books are mailed to the address listed on the official registration form. If the child's address changes, you must call SREC to make the correction in order to continue receiving books.
3. Read with your child!

When Will I Receive Books?

Eight to 10 weeks after registration, books will begin arriving at your home and will continue until your child turns 5 or you move out of the SREC service area.
