

**Efficient Electric Water Heater
Rebate Form**

A \$100.00 rebate will be paid by Sun River Electric Cooperative to a co-op member to encourage the purchase of an efficient electric water heater.

Rebate will be paid after the heater has been installed, this form completed and returned to the Cooperative with the purchase invoice attached. The invoice must include the place and date of purchase, brand name, and model number of the approved tank. The required efficiency rating must be **.90** and have a capacity of 40 gallons or more.

Invoices over 90 days old are not eligible for rebate. Rebate subject to change without notice.

Rebate Information:

Is this for a new home? (Circle one) Yes – No

Purchased from _____

Date of Purchase as shown on invoice _____

Brand Name _____ Model Number _____

Energy Factor _____ Gallon Capacity _____

Member Cooperative Account Number _____

Member Name _____

Mailing Address _____

City, State, Zip Code _____

It is the responsibility of the member to have the water heater installed in compliance with all codes. The member holds the Cooperative free of all liability arising from the installation of the water heater. The Cooperative is not responsible for maintenance of the water heater, is not responsible for damage from a leaking water heater, and is not responsible for performance of the water heater.

I certify that the tank was installed in Sun River Electric Cooperative's service territory on the following date _____ at the following location _____
_____. The Cooperative reserves the right to inspect the tank. **Do not apply for the rebate until after the tank has been installed and is operational.**
